

QUAZENTHOR (QWBQ)

Terms of Use

Fixed-Supply BEP-20 Token on BNB Smart Chain

1. Project Overview

Quazenthor (QWBQ) is a fixed-supply BEP-20 token deployed on BNB Smart Chain mainnet. The contract enables standard BEP-20 functions. Address: 0x013f5f2F7F5b027012415A783ac2ed69EF936aE8 – verified on BscScan since January 31, 2026.

2. Acceptance of Terms

By accessing this website or interacting with the token, you agree to these terms of use. These terms may be updated; changes will be reflected on this page.

3. Risk Disclosure

Blockchain interactions involve risks, including:

- Smart contract vulnerabilities
- Network or gas issues
- User error
- Regulatory changes

Users accept all risks and are responsible for their actions.

4. Terms of Use

You agree to:

- Use materials for informational purposes
- Not rely on information as financial or legal advice
- Comply with applicable laws

5. Independence

Quazenthor is an independent project with no affiliations to Binance, BNB Chain, or other entities. Content is original and for identification only.

6. User Acknowledgement

By using the site or token, you confirm understanding of these terms and acceptance of risks. If you disagree, cease use immediately. For inquiries: admin@quazenthor.com
