

QUAZENTHOR (QWBQ)

Official Token Information

Fixed-Supply BEP-20 Token on BNB Smart Chain Mainnet

Short Description

Quazenthor (QWBQ) is a fixed-supply BEP-20 token deployed on the BNB Smart Chain mainnet. It enables standard BEP-20 functions including transfers, approvals, allowance management, and event observation. Token distribution is performed gradually and is fully transparent on-chain. The contract is immutable and contains no minting, burning, taxation, or upgradeability mechanisms.
